When 65-year-old Marie was diagnosed with adult onset diabetes, she knew her life was going to change dramatically. Alone and afraid, she wasn't sure how she would cope. Her doctor referred her to the Youville Centre, where a dedicated team of professionals including nurses, dietitians and a counsellor, provided Marie with the information and resources she needed to face her future.

There when she needed it. That's how Marie describes the Youville Diabetes Centre, a not-for-profit community health agency established to enhance the health of individuals, families and communities.

Winnipeg's **Youville Diabetes Centre** is an accredited community health centre, a not-for-profit clinic with a reputation, developed for more than thirty years, for excellence in delivering education and expert care for people living with diabetes.

The number of people newly diagnosed with diabetes is growing at an alarming rate. In Manitoba the number of cases has doubled in the last eight years. The team of health professionals at the Centre is achieving significant results as they deliver education programs aimed at helping clients self-manage their diabetes.

*WHAT IS THE COSMOPOLITAN CLUB
CHARITY GOLF MARATHON?*

The Cosmopolitan Club Charity Golf Marathon is an annual golf tournament hosted by the Cosmopolitan Club of Winnipeg. This year the tournament is in support of the fight against Diabetes.

Golfers collect pledges from friends, family, co-workers or businesses. Golfers are then able to golf from dawn to dusk at Larters Golf Course.

*HOW DO I PARTICIPATE
IN THIS EVENT?*

In order to participate, a registration form must be signed and a \$75 registration fee paid. The golfer is then committed to raising a minimum of \$225 in charity receiptable pledges.

Participating golfers are grouped together in foursomes, given a cart to share with one of your group (two golfers per cart), and provided with a grab bag including golf balls. Food and drink can be purchased on the course.

Start your day with provided breakfast and at the end of the day a banquet dinner with presentations and prizes. Prizes for closest to the pin, longest drive, straightest drive and other draw prizes. Those who raise over \$500.00 for this charity will be eligible for additional prizes.
